Samurai Rising The Epic Life

Samurai Rising: The Epic Life of Minamoto Yoshitsune by Pamela S. Turner is a children's nonfiction but it is written so well that it could be for anyone at all. I learned so much and didn't feel it was talking down to me. Through this book you could feel the social life, the strange customs, and the barbaric life it was back then.

Samurai Rising: The Epic Life of Minamoto Yoshitsune ...

Overview. A samurai fights for honor and survival in a real-life Game of Thrones. Stirring narrative nonfiction recounts the rise of Minamoto Yoshitsune from seemingly doomed infant to immortal warrior-hero (and one of the most famous samurai in Japanese history). Acclaimed author Pamela S. Turner delivers all the drama, romance, and tragedy of the original story—with delightfully dry wit and a healthy dose of modern perspective.

The author's can't quite come to terms to how to write about the Samurai's life, it's a bit biographical, there is some novelization but it's not quite either. This reads like a dinner conversation about Yoshitsune's life, the prose is very basic and sentences are often written as how a person might speak, I recall one sentence even has a "-wait for it!-" in the middle of a statement.

A samurai fights for honor and survival in a real-life Game of Thrones. Stirring narrative nonfiction recounts the rise of Minamoto Yoshitsune from seemingly doomed infant to immortal warrior-hero (and one of the most famous samurai in Japanese history). Acclaimed author Pamela S. Turner delivers all the drama, romance, and tragedy of the original story--with delightfully dry wit and a healthy dose of modern perspective. Gorgeous ink paintings by celebrated graphic-novelist Gareth Hinds complete this irresistible package.

Minamoto Yoshitsune should not have been a samurai. But his story is legend in this real-life saga. Is there life beyond Earth? NASA astrobiologist Dr. Chris McKay has searched the earth's most extreme environments on his quest to understand what factors are necessary to sustain life. Pamela S. Turner offers readers an inside look at Dr. McKay's research, explaining his findings and his hopes for future exploration both on Earth and beyond. Behind-the-scenes photos capture Dr. McKay, his expeditions, and the amazing microbes that survive against all odds.

Unabridged. Running time: 4 hrs 50 min.

Portia and her cousin Julian discover adventure in a hidden colony of forgotten summer houses on the shores of a swampy lake.

In the tempestuous closing decades of the sixteenth century, the Empire of Japan writhes in chaos as the shogunate crumbles and rival warlords battle for supremacy. Warrior monks in their armed citadels block the road to the capital; castles are destroyed, villages plundered, fields put to the torch. Amid this devastation, three men dream of uniting the nation. At one extreme is the charismatic but brutal Nobunaga, whose ruthless ambition crushes all before him. At the opposite pole is the cold, deliberate Ieyasu, wise in counsel, brave in battle, mature beyond his years. But the keystone of this triumvirate is the most memorable of all, Hideyoshi, who rises from the menial post of sandal bearer to become Taiko--absolute ruler of Japan in the Emperor's name. When Nobunaga emerges from obscurity by destroying an army ten times the size of his own, he allies himself with Ieyasu, whose province is weak, but whose canniness and loyalty make him invaluable. Yet it is the scrawny, monkey-faced Hideyoshi--brash, impulsive, and utterly fearless--who becomes the unlikely savior of this ravaged land. Born the son of a farmer, he takes on the world with nothing but his bare hands and his wits, turning doubters into loyal servants, rivals into faithful friends, and enemies into allies. In all this he uses a piercing insight into human nature that unlocks castle gates, opens men's minds, and captures women's hearts. For Hideyoshi's passions are not limited to war and intrigue--his faithful wife, Nene, holds his love dear, even when she must share it; the chaste Oyu, sister of Hideyoshi's chief strategist, falls prey to his desires; and the seductive Chacha, whom he rescues from the fiery destruction of her father's castle, tempts his weakness. As recounted by Eiji Yoshikawa, author of the international best-seller *Musashi*, Taiko tells many stories: of the fury of Nobunaga and the fatal arrogance of the black-toothed Yoshimoto; of the pathetic downfall of the House of Takeda; how the scorned Mitsuhide betrayed his master; how once impregnable ramparts fell as their defenders died gloriously. Most of all, though, Taiko is the story of how one man transformed a nation through the force of his will and the depth of his humanity. Filled with scenes of pageantry and violence, acts of treachery and self-sacrifice, tenderness and savagery, Taiko combines the panoramic spectacle of a Kurosawa epic with a vivid evocation of feudal Japan.

Eleven-year-old Ivy Manx sets out with her new friend, a young "taster," to find her missing uncle, an outlawed healer, in the dangerous kingdom of Caux where magic, herbs, and poisons rule.

From a New York Times bestselling author, a fresh, female-centered take on "Robin Hood" in which a young noblewoman, like the legendary hero, becomes an outlaw fighting for social justice. Perfect for fans of Marissa Meyer and Sarah J. Maas. When sixteen-year-old Silvie's brother takes over management of their family's vast estates, Silvie feels powerless to stop his abuse of the local commoners. Her dearest friend asks her to run away to the woods with him, and soon a host of other villagers join them. Together, they form their own community and fight to right the wrongs perpetrated by the king and his noblemen. Perfect for fans of fairy tale retellings or anyone who loves a strong female lead, this gorgeously written take on the Robin Hood tale goes beyond the original's focus on economic justice to explore love, gender, the healing power of nature, and what it means to be a family.
