Enslaved Orion women were subjected to many degrading stereotypes. From the 2150s to the 2250s, it was a common for slave traders, smugglers, criminals, and traffickers of women to stereotype Orion women as being "animalistic" in nature, characterizing them as having "extreme" carnal appetites and "certain innate skills."

Sapphira Colbert proceeds to persecute a once happy slave girl, Nancy, when Sapphira suspects her husband admires Nancy.

Reproduction of the original: Incidents in the Life of a Slave Girl by Harriet Ann Jacobs

Harriet Jacobs was born into slavery; it's the only life she has ever known. Now, with the death of her mistress, there is a chance she will be given her freedom, and for the first time Harriet feels hopeful. But hoping can be dangerous, because disappointment is devastating. Harriet has one last hope, though: escape to the North. And as she faces numerous ordeals, this hope gives her the strength she needs to survive. Based on the true story of Harriet Ann Jacobs, *LETTERS FROM A SLAVE GIRL* reveals in poignant detail what thousands of African-American women had to endure not long ago. It's a story that will enlighten, anger, and never be forgotten.

One of the central firsthand accounts of slavery in America A haunting, evocative recounting of her life as a slave in North Carolina and of her final escape and emancipation, Harriet Jacobs's classic narrative, written between 1853 and 1858 and published pseudonymously in 1861, tells firsthand of the horrors inflicted on slaves. In writing this extraordinary memoir, which culminates in the seven years she spent hiding in a crawl space in her grandmother's attic, Jacobs skillfully used the literary genres of her time, presenting a thoroughly feminist narrative that portrays the evils and traumas of slavery, particularly for women and children. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Annotation "Her graphically detailed pictures of tribal life make the novel memorable."-Chicago Tribune.

This Prestwick House Literary Touchstone Classic includes a glossary and reader's notes to help the modern reader appreciate Jacobs' perspectives and language. DRIVEN BY THE HORRORS of slavery and fear of a predatory master, Harriet Jacobs, a young black woman, makes the fateful, life-altering decision to escape. Long thought to be the work of a white writer, *Incidents in the Life of a Slave Girl* is the captivating and terrifying story of Jacobs' daily life on a plantation

Bookmark File PDF Slave Girl

in North Carolina, her seven years of hiding, and her ultimate triumph. Jacobs wrote her autobiography in 1861, under a pseudonym to protect the lives of the friends and family she left behind, and the work had been essentially lost until the mid-twentieth century. Now recognized as a classic, unflinching portrait of slave life, *Incidents* exposes slavery on a level comparable only to that of *Narrative of the Life of Frederick Douglass*.

A fascinating exploration of slavery and its laws and an unforgettable portrait of a young woman in pursuit of freedom. "Reads like a legal thriller" (*The Washington Post*). It is a spring morning in New Orleans, 1843. In the Spanish Quarter, on a street lined with flophouses and gambling dens, Madame Carl recognizes a face from her past. It is the face of a German girl, Sally Miller, who disappeared twenty-five years earlier. But the young woman is property, the slave of a nearby cabaret owner. She has no memory of a "white" past. Yet her resemblance to her mother is striking, and she bears two telltale birthmarks. In brilliant novelistic detail, award-winning historian John Bailey reconstructs the exotic sights, sounds, and smells of mid-nineteenth-century New Orleans, as well as the incredible twists and turns of Sally Miller's celebrated and sensational case. Did Miller, as her relatives sought to prove, arrive from Germany under perilous circumstances as an indentured servant or was she, as her master claimed, part African, and a slave for life? *The Lost German Slave Girl* is a tour de force of investigative history that reads like a suspense novel. "Bailey keeps us guessing until the end in this page-turning true courtroom drama of 19th-century New Orleans . . . [He] brings to life the fierce legal proceedings with vivid strokes." —*Publishers Weekly*, starred review

In this volume, Jennifer Fleischner examines the first- and best-known female account of life under, and escape from, slavery -- Harriet Jacobs' autobiography. In her introduction, Fleischner shows how Jacobs used the written word to liberate herself and promote the end of slavery by carefully discussing her sexual exploitation as a slave in ways that would inspire sympathy in -- and not offend -- her Victorian white, middle-class, female audience. An updated introduction explores Jacobs' personal struggles with religion and violent resistance, and connects her narrative to the broader history of the anti-slavery movement in the United States. The rich collection of related documents that accompany Jacobs' complete narrative features three new sources, including the will of Jacobs' owner Margaret Horniblow, the abolitionist emblem, and the original title page of *Incidents in the Life of a Slave Girl*. Updated document head notes, chronology, questions for consideration, selected bibliography, and index provide students with a valuable framework for understanding this period in United States history. Available in print and e-book formats.
