supplier base to meet localization regulations, create a sales and service network, and develop and launch a peoples car that would sell 100,000 a year, in a sector where Indian expertise was limited. And to do this as a public sector company, having to follow all governmental systems and procedures, and having to please both its masters in the government and Suzuki Motor Corporation. However, the Maruti project succeeded, and in ways that were unimaginable in 1983. The car revolutionized the industry and put a country on wheels. Suddenly, ordinary middle-class men and women could

aspire to own a reliable, economical and modern car, and the steep sales targets were easily met. Twenty-six years later, the company, now free of government controls and facing competition from the worlds major manufacturers who have entered the Indian market, still leads the way. Not only that, cars made by Maruti can be seen in all continents. By any yardstick, it is an incredible story, involving grit, management skill and entrepreneurship of a high order. R.C. Bhargava, who was at the helm of thecompany, and is currently its chairman, co-writing with senior journalist and author

Published to coincide with Maserati's one-hundredth anniversary, this lavishly produced volume celebrates the glamour and excellence of Italian automotive style and design.

Maserati traces the history of the legendary Italian luxury sports car company that was founded in 1914 by Alfieri Maserati and his three brothers, Bindo, Ernesto, and Ettore, and which went on to back-to-back wins at the Indianapolis 500—the only Italian car manufacturer ever to do so. The book profiles
