Get Free The Cat From Hue A Vietnam War Story

Offensive and a turning point in the American War in Vietnam. In the early hours of January 31, 1968, the North Vietnamese launched over one hundred attacks across South Vietnam in what would become known as the

Get Free The Cat From Hue A Vietnam War Story

Tet Offensive. The lynchpin of Tet was the capture of Hue, Vietnam's intellectual and cultural capital, by 10,000 National Liberation Front troops who descended from hidden camps and surged across the city of 140,000.

Within hours the entire city was in their hands save for two small military outposts. American commanders refused to believe the size and scope of the Front's presence, ordering small companies of marines against

thousands of entrenched enemy troops. After several futile and deadly days, Lieutenant Colonel Ernie Cheatham would finally come up with a strategy to retake the city, block by block and building by building, in

Get Free The Cat From Hue A Vietnam War Story

some of the most intense urban combat since World War II. With unprecedented access to war archives in the U.S. and Vietnam and interviews with participants from both sides, Bowden narrates each stage of this

crucial battle through multiple viewpoints. Played out over 24 days and ultimately costing 10,000 lives, the Battle of Hue was by far the bloodiest of the entire war. When it ended, the American debate was

never again about winning,
only about how to leave. Hue
1968 is a gripping and
moving account of this
pivotal moment.

Pulitzer Prize-winning
author Ted Morgan has now

Page 74/97

Get Free The Cat From Hue A Vietnam War Story

written a rich and definitive account of the fateful battle that ended French rule in Indochina—and led inexorably to America's Vietnam War. Dien Bien Phu was a remote valley on the border of Laos along a

Get Free The Cat From Hue A Vietnam War Story

simple rural trade route.
But it would also be where a
great European power fell to
an underestimated insurgent
army and lost control of a
crucial colony. Valley of
Death is the untold story of
the 1954 battle that, in six

Get Free The Cat From Hue A Vietnam War Story

weeks, changed the course of history. A veteran of the French Army, Ted Morgan has made use of exclusive firsthand reports to create the most complete and dramatic telling of the conflict ever written. Here

Get Free The Cat From Hue A Vietnam War Story

is the history of the Vietminh liberation movement's rebellion against French occupation after World War II and its growth as an adversary, eventually backed by Communist China. Here too is the ill-fated

Get Free The Cat From Hue A Vietnam War Story

French plan to build a base in Dien Bien Phu and draw the Vietminh into a debilitating defeat—which instead led to the Europeans being encircled in the surrounding hills, besieged by heavy artillery, overrun,

Get Free The Cat From Hue A Vietnam War Story

and defeated. Making expert use of recently unearthed or released information, Morgan reveals the inner workings of the American effort to aid France, with Eisenhower secretly disdainful of the French effort and

Get Free The Cat From Hue A Vietnam War Story

prophetically worried that “no military victory was possible in that type of theater.” Morgan paints indelible portraits of all the major players, from Henri Navarre, head of the French Union forces, a rigid

Get Free The Cat From Hue A Vietnam War Story

professional unprepared for an enemy fortified by rice carried on bicycles, to his commander, General Christian de Castries, a privileged, miscast cavalry officer, and General Vo Nguyen Giap, a master of guerrilla warfare

Get Free The Cat From Hue A Vietnam War Story

working out of a one-room hut on the side of a hill. Most devastatingly, Morgan sets the stage for the Vietnam quagmire that was to come. Superbly researched and powerfully written, Valley of Death is the

Get Free The Cat From Hue A Vietnam War Story

crowning achievement of an author whose work has always been as compulsively readable as it is important.

The bloody monthlong battle for the Citadel in Hue pitted U.S. Marines against

Get Free The Cat From Hue A Vietnam War Story

an entrenched North Vietnamese Army force. By official accounts it was a tactical and moral victory for the Marines and the United States. But here survivor Nicholas Warr describes with urgency and

Get Free The Cat From Hue A Vietnam War Story

outrage the Marines' savage house-to-house fighting--ordered without air, naval, or artillery support by officers with no experience in that type of combat. Sparing few in the telling, Warr's firsthand

Get Free The Cat From Hue A Vietnam War Story

narrative tells of desperate Marine suicide charges and of the Marines' selfless devotion to their comrades. His riveting account of the most vicious urban combat since World War II offers an unparalleled view of how a

small-unit commander copes with the conflicting demands and responsibilities thrust upon him by the enemy, his men, and the chain of command.

literature.”—Foreword

Reviews In the Vietnam War,
2,197 helicopter pilots and
2,717 crew members were

killed. Black Cat 2-1 is the story of one pilot who made it home and the valiant men he served with who risked their lives for the troops on the ground. Bob Ford invites readers into the Huey helicopters he flew on

Get Free The Cat From Hue A Vietnam War Story

more than 1,000 missions when he and his men dared to protect and rescue. For those whose voices were silenced in that faraway place or who have never told their stories, he creates a tribute that reads like a

thriller, captures the humor of men at war, and resounds with respect for those who served with honor. An Oklahoma Book Award Finalist "Bob Ford's account of his year in the command seat of his ship of salvation is a

priceless contribution to the literary canon of that war.”—David A. Maurer, Special Forces veteran, author of *The Dying Place*
“ [Ford] brings to life his story so the reader can experience what it may have
