The Effective Change Manager's Handbook eBook - E-Books

The Effective Change Manager 's Handbook: Essential Guidance to the Change Management Body of Knowledge seeks to be that for change management. While it goes far towards this end, it has the problems that all bodies of knowledge have – too much breadth but not enough depth.

Book Review-The Effective Change Manager's Handbook ...

For the purposes of the CMBok, ' knowledge ' relating to effective Change Management is organized into thirteen Knowledge Areas. Each Knowledge Area describes a major aspect of the underpinning knowledge and practical experience expected of an effective Change Manager. Within each Knowledge Area there are three or more Knowledge Components

The effective change manager

Endorsed by the Change Management Institute and the official guide to the CMI Body of Knowledge, The Effective Change Manager's Handbook covers the whole process from planning to implementation, offering practical tools, techniques and models to effectively support any change initiative.

The change management profession is no longer in its infancy. Readily identifiable in organizations and in business literature it is no longer reliant on parent disciplines such as organizational development or project management. Change management is itself in a state of change and growth - the number of jobs is increasing and organizations are actively seeking to build their change management capability. The Effective Change Manager's Handbook, the official guide to the CMI Body of Knowledge, is explicitly designed to help practitioners, employers and academics define and practice change management successfully and to develop change management maturity within their organization. A single-volume learning resource covering the range of underpinning knowledge required, it includes chapters from esteemed and established thought leaders on topics ranging from benefits management, stakeholder strategy, facilitation, change readiness, project management and education and learning support. Covering the whole process from planning to implementation, it offers practical tools, techniques and models to effectively support any change initiative.

'The Effective Change Manager' is designed for change management practitioners, employers, authors, academics and anyone with an interest in this growing professional discipline of change management. This first edition The Change Management Body of Knowledge (CMBok) draws on the experience of more than six hundred change management professionals in thirty countries. Starting with what change managers do - 'The Effective Change Manager' describes what change managers must know in order to display those competencies effectively - and to deliver change successfully. The Change Management Institute (CMI) is an independent professional organization that is uniquely positioned to promote and advance the interests of Change Management. Since 2005, the CMI has been providing opportunities for change management professionals to build knowledge and skills and network with other professionals.

WINNER: CILIP's Knowledge and Information Management Award 2019 - Information Resources Print Category The way an organization manages and disseminates its knowledge is key to informed business decision-making, effectiveness and competitive edge. The Knowledge Manager's Handbook takes you step by step through the processes needed to define and embed an effective knowledge management framework within an organization. This second edition now includes clear guidance on the best practice requirements from the first ever internationally recognised standard for knowledge management, ISO 30401:2018, as well as content on the impact of AI and data analytics. Nick Milton and Patrick Lambe work through each stage of creating and implementing a knowledge management framework for an organization's specific needs, based around the four essential aspects of knowledge management: people, processes, technologies and governance. With updated international case studies from organizations of all sizes and sectors, along with user-friendly templates and checklists to help implement effective knowledge management procedures, The Knowledge Manager's Handbook is the end-to-end guide to making a sustainable change in the knowledge management culture.

This handbook is the practical guide to becoming a great manager. It covers all the major topics including hiring, coaching, feedback, one-on-ones, and decision making. It also covers some of softer, but equally important, topics like conflict resolution and mental health. Great management changes lives. In fact, it's one of the most single overlooked pieces of leverage in the world. Great managers are remembered like great teachers, inspirations who help others soar. That's why it's such a shame management training is so often overlooked. Successful individual-contributors are rewarded with a 'promotion' into management and then, more often than not, left to sink or swim. If you're a new manager, this book will shine a friendly light on the road ahead. And if you're an old dog, perhaps it'll teach you a trick or two. This handbook was written by Alex MacCaw and stress-tested at a company called Clearbit.

Change Management Handbook: This handbook contains over fifty concepts, models, figures, assessments, tools, templates, checklists, plans, a roadmap and glossary structured around the ten-step a2B Change Management Framework® each with a practical case study. About this Book: This handbook is for growth mindset leaders, senior managers, students, HR professionals and change management practitioners who want to deliver organisational change while their organisation continues with day-to-day operations. Leadership of Change® Volume 3 is based on over thirty years of experience implementing change, transformation and improvements into some of the world 's largest and most successful organisations across many countries and cultures. It provides deep insights into change programme delivery using the a2B Change Management Framework®. It starts by aligning the change with the organisation 's strategy and vision, moving through to successfully closing and sustaining the change. It covers ten key change management implementation concepts in detail, which include sponsorship, change history, communication, change planning, readiness, resistance, developing the new

Read PDF The Effective Change Managers Handbook Essential Guidance To The Change Management Body Of Knowledge

skills and behaviours, as well as adoption. It also includes the AUILM® Employee Change Adoption Model and the a2B5R® Employee Behaviour Change Model. Other Leadership of Change® Volumes: Leadership of Change® Volumes: The volumes in this series are intended to be leading practice in organisational change management and implementation, which supports strategy execution. Volume 1 – Change Management Fables Volume 2 - a2B Change Management Pocket Guide Change Management Fables: Ten fables about the leadership paradox of implementing organisational change management versus delivering normal day-to-day operations. About this Book: Leaders go about their daily task of implementing the organisation 's strategy to deliver financial results. All of a sudden there is a change explosion that disrupts normal day-to-day operations. This is the leadership paradox: implementing change versus delivering day-to-day operations. Leaders then need to adjust their focus to implement the change, so that the organisation stays ahead of the competition and continues to deliver revenue to its shareholders. That means the change has to ensure a return on investment, full employee change adoption, and sustainable change. Leadership of Change® Volume 1 represents the author 's experiences throughout his career, it, provides ten practical stories of typical and consistent change management challenges that organisations and leaders experience when implementing organisation change, transitioning their organisation from the current ' a ' state to the future ' B ' state. Potential solutions are introduced which are developed in Volumes 2 and 3. This book includes illustrations as well as the a2B Change Management Framework®(a2BCMF®), the AUILM® Employee Change Adoption Model and the a2B5R® Employee Behaviour Change Model. Change Management Pocket Guide: This pocket guide contains over thirty concepts, models, figures, assessments, tools, templates, checklists, plans, a roadmap and glossary structured around the ten-step a2B Change Management Framework®. About this Book: This pocket guide is a practical, hands-on guide built around the a2B Change Management Framework® (a2BCMF®) with over thirty models, tool and change concepts. It is designed to support change practitioners delivering hands-on organisational change. The pocket guide supports a programme approach to organisational change, starting with ' change definition ' (strategy alignment) and moving through to ' closing and sustain ' the change. The ten-step a2BCMF® is supported by over thirty concepts, a change adoption model, a behavioural change model, figures, assessments, tools, templates, checklists and plans, as well as a roadmap and glossary. It covers the key change management concepts such as sponsorship, communications, readiness, resistance and adoption. The assessments provide valuable input on whether the team should progress from one critical a2BCMF® step to the next.

The Higher Education Manager 's Handbook 2/e has been substantially updated and reflects important changes that have occurred since its first publication in 2004. It offers excellent counsel and guidance on all aspects of the manager 's role and provides the navigational tools to successfully operate within Higher Education organizations. Within this new edition, Peter McCaffery continues to draw on a wealth of US and UK case study materials drawn from innovative practice. This best selling guide builds upon its original strengths and remains an engaging, accessible and highly enjoyable read. Written in the unique perspective of the HE manager, it offers practical advice that can be implemented immediately by managers and university leaders at all levels. It addresses the internal ramifications of cynicism and demoralisation that are rife within many academic communities and is based on four pre-requisites essential for becoming an effective HE leader: Knowing Your Environment Knowing Your University Knowing Your Department Knowing Yourself What 's new in the second edition... New Chapter! Celebrating Diversity The Specific strategic drivers in HE University Governance The Business-Facing University The Community University Fostering Research Excellence, Fostering Teaching Excellence and Enhancing the Student Experience Internationalization Managing your Reputation Managing in a crisis Higher Education Managers, Team Leaders, Vice Chancellors, Provosts, University Presidents, Department Heads and Student Affairs Administrators will find this book to be an irreplaceable resource that occupies a permanent "within hands-reach" position on their desk and/or nearest bookshelf.
