When The Amazing Adventures of Spider-Man debuted in Islands of Adventure in 1999, it was really something to marvel at (pun intended). It was the first ride to blend motion-based vehicles, 3D film, live action, special effects, and elaborate sets into a single ride. The unique ride vehicles were created just for this attraction and were considered a remarkable achievement. In 2012, The Amazing Adventures of Spider-Man was given an extensive upgrade to maintain its state-of-the-art reputation.
