Piatnik Card Game ...

To play: Each child tucks a "tail" into the back of their shorts. The children run around the play space trying to capture the tails of the other players whilst also keeping their own tail safe. If a child's tail is captured, they perform a pre-agreed fitness activity - e.g. 5 jumping jacks or hop on the spot 5 times.

Contains over 300 student oriented tasks in number, space and measurement, which allow for a variety of student abilities. Includes an assessment and evaluation section and an index.

A simple introduction to some different animals that have tails.

Fairy tales have never known geographical, disciplinary or cultural borders. In many ways, they provide a model for thinking about storytelling on a transnational level long before comparative literature began transforming itself into world literature. As the simple expression of complex thought, fairy tales have increasingly become the focus of

# Online Library The Game Of Tops Tails Ediz Illustrata

intense scholarly inquiry. In this Companion, international scholars from a range of academic disciplines explore the historical origins, cultural dissemination and psychological power of fairy stories, and offer model interpretations of tales from a variety of traditions and sources, including Charles Perrault, the Brothers Grimm and the One Thousand and One Nights. Rather than disenchanting the stories, the essays in this volume broaden our understanding of them and deepen our appreciation of the cultural work they do. A chronology and guide to further reading contribute to the usefulness of the volume for students and scholars.
