~~A Man Among Men - American Warriors Series~~
I just finished reading 'The Quiet Professional' by Alan Hoe; the only biography that exists of Major Richard 'Dick' Meadows. It allowed me to complete the puzzle and connect the dots on what I consider to be the most significant individual in Tier One US Special Operations history - Dick Meadows is a legend in the US Army SOF community but his contributions to Tier One SOF have never, in my opinion, been given the credit they deserve.

From the New York Times bestselling authors of In the Company of Heroes comes a thrilling account of military aviation for history buffs and “for those who love vivid tales of battlefield heroics” (Publishers Weekly). In the world of covert warfare, Special Operations pilots are notoriously close-lipped about what they do. They don’t talk about their missions to anyone outside their small community. But now, Michael J. Durant and Steven Hartov shed fascinating light on the mysterious elite commandos known as SOAR

(Special Operations Aviation Regiment) Series and take readers into a shadowy world of combat they have only imagined.

More than 8.7 million Americans reported for military duty in Southeast Asia, but only a select few wore the Green Beret, the distinctive symbol of the U.S. Army Special Forces. Operating out of small outposts in some of the worlds most rugged terrain, these elite soldiers played a crucial role during the protracted conflict. Special Forces at War: an Illustrated History, Southeast Asia 1957-1975 by wartime veteran and military

historian Shelby L. Stanton comprises ten chapters, chronologically arranged, that show Special Forces' activity from the first deployments of Green Berets into battle, through their ever-expanding instruction and training, wartime advisory, border surveillance, strike force, and special operations roles. No matter what the task, the Special Forces served with valor and dedication. This photographic history is unprecedented in scope. Featuring rare and unpublished images, it presents an exclusive, insider view of covert activities such as Project Delta, whose Special Forces-trained

Vietnamese commandos, nicknamed "road-runners," posed as North Vietnamese Army or Viet Cong troops behind communist lines. It depicts Special Forces' camps before, during, and after enemy assaults. It features an array of lethal weapons used by resourceful Green Berets fighting to preserve their remote outposts, as well as allied and enemy documents and propaganda. From ordinary camp life to special missions, no aspect of Special Forces activities during the Second Indochina War has been overlooked. Stanton knows his subject first hand. During six years of active duty as an infantry officer

Special Forces American Warriors Series
essential but little-appreciated role in its growth as a world power. Beginning with Jefferson's expedition against the Barbary Pirates, Max Boot tells the exciting stories of our sometimes minor but often bloody landings in Samoa, the Philippines, China, Haiti, the Dominican Republic, Nicaragua, Mexico, Russia, and elsewhere. Along the way he sketches colorful portraits of little-known military heroes such as Stephen Decatur, "Fighting Fred" Funston, and Smedley Butler. From 1800 to the present day, such undeclared wars have made up the vast majority of our military engagements. Yet the

Special Forces American Warriors Series
military has often resisted preparing itself for small wars, preferring instead to train for big conflicts that seldom come. Boot re-examines the tragedy of Vietnam through a "small war" prism. He concludes with a devastating critique of the Powell Doctrine and a convincing argument that the armed forces must reorient themselves to better handle small-war missions, because such clashes are an inevitable result of America's far-flung imperial responsibilities.

Special Forces American Warriors Series
Observations Group (MACVSOG) was a highly-classified, U.S. joint-service organization that consisted of personnel from Army Special Forces, the Air Force, Navy SEALs, Marine Corps Force Reconnaissance units, and the CIA. This secret organization was committed to action in Southeast Asia even before the major build-up of U.S. forces in 1965 and also fielded a division-sized element of South Vietnamese military personnel, indigenous Montagnards, ethnic Chinese Nungs, and Taiwanese pilots in its varied reconnaissance, naval, air, and agent operations. MACVSOG was without doubt the

Special Forces U.S. unit to participate in the Vietnam War, since its operational mandate authorized its missions to take place “over the fence” in North Vietnam, Laos, and Cambodia, where most other American units were forbidden to go. During its nine-year existence it managed to participate in most of the significant operations and incidents of the conflict. MACVSOG was there during the Gulf of Tonkin incidents, during air operations over North Vietnam, the Tet Offensive, the secret bombing of and ground incursion into Cambodia, Operation Lam Son 719, the Green Beret murder case, the Easter

Invasion, the Phoenix Program, and the Son Tay POW Raid. The story of this extraordinary unit has never before been told in full and comes as a timely blueprint for combined-arms, multi-national unconventional warfare in the post-9/11 age. Unlike previous works on the subject, *Black Ops, Vietnam* is a complete chronological history of the unit drawn from declassified documents, memoirs, and previous works on the subject, which tended to focus only on particular aspects of the unit's operations.

Empire as a distant memory in the annals of history. The year is 2027. Tired and desperate, the American people are deep in the middle of The Second Great Depression. The Florida coastline is in ruins from the most powerful hurricane on record; a second just like it is bearing down on the state of Texas. For the first time in history, the Middle East has united as one and amassed the most formidable army the world has seen since the Third Reich. A hidden army of terrorists are on American soil. This is the story of three men - Howard Beck, the world's richest man, also diagnosed with Asperger's Syndrome,

Special Forces American Warriors Series

was taught that weakness gets you killed. To survive, you must focus on your objective and act without hesitation. Upon returning from war, Scotti approached his new life the same way. He ignored the creeping depression and numbness he called "The Blue Cascade" and charged toward his goal of getting an MBA, securing a finance job, and retiring young. All the while, Scotti was being eaten away inside. Scenes of drunken emotion and raging violence were becoming more and more frequent. Years after returning from active combat, he found himself contemplating suicide before a series of powerful events

Special Forces the Dayton Accords that ended the Balkan wars, America's greatest diplomatic achievement in the post-Cold War era. His power lay in an utter belief in himself and his idea of a muscular, generous foreign policy. From his days as a young adviser in Vietnam to his last efforts to end the war in Afghanistan, Holbrooke embodied the postwar American impulse to take the lead on the global stage. But his sharp elbows and tireless self-promotion ensured that he never rose to the highest levels in government that he so desperately coveted. His story is thus the story of America during its era of
