Dear Friends of the seas, There are still hidden places in the world that combine majesty with solitude, sailing adventure with beauty. Last year's Seven Seas Calendar had us cruising through the tropical paradise of the Windward Islands with its deserted beaches, crystalline waters, and warm and gentle Trade Winds. This year, besides our world wide travels, we will be sailing half-a-world away both in longitude and latitude to the wild coasts of British Columbia and Alaska, arguably the most dramatic and mysterious cruising grounds on the planet. Stretching from the romantic old-England harbor of Victoria to the port of Skagway, are chains of majestic mountains and evergreen islands. It is a breathtaking seaway. And most of it within the protected waters of the fabled Inside Passage. The route is less than 800 miles as the crow flies but the mariner will weave among glaciers, fjords, ancient native villages and over 1,200 islands, which combined, yield over 40,000 miles of coastline to explore and discover. Your companions will be eagles, cormorants, sea otters and bears. And the fishing is the very best. Buon Voyage. - Ferenc Mt

Compiled and written by a team of experienced researchers whose work has been cited by such diverse sources as USA Today and Operations Research Forum, The Unofficial Guide to Walt Disney World digs deeper and offers more than any other guide. The Unofficial Guide to Walt Disney World explains how Walt Disney World works and how to use that knowledge to make every minute and every dollar of your vacation count. With advice that is direct, prescriptive, and detailed, it takes the guesswork out of travel by unambiguously rating and ranking everything from hotels, restaurants, and attractions to rental car companies. With an Unofficial Guide in hand, and authors Bob Sehlinger and Len Testa as guides, find out what's available in every category, from best to worst, and use step-by-step detailed plans to help make the most of your time at Walt Disney World.

The Wristwatch Annual has become a classic for aficionados of fine watchmaking. It's a one-stop shop for watch buying, offering complete specs and prices on over 1,400 models by more than 130 international brands, while also tracking the latest developments in the watch industry. In addition to the extensive A-Z section, which includes many new entries, senior editor Marton Radkai presents editorial features that take a closer look at a number of exciting American brands on the market today. Presenting a wide range of wristwatches, with exquisite color photographs and complete specifications for each watch, Wristwatch Annual provides collectors with a wealth of information close at hand. The book is arranged alphabetically by producer-within each producer's section is a brief history of the brand (with contact information)-and specifications and materials for each watch, including price, movement, special features, complications, case, dial, band, and variations. Also included are a glossary and a guide to watch maintenance. The clear photography, structured layout, and lively writing also makes this book a pleasure to read or just browse. This year's edition features updated and expanded content, focusing on new American brands.

A reexamination of the people and movements associated with Qumran, their outlook on the world, and what bound them together Dead Sea Scrolls, Revise and Repeat examines the identity of the Qumran movement by reassessing former conclusions and bringing new methodologies to the study of the Dead Sea Scrolls. The collection as a whole addresses questions of identity as they relate to law, language, and literary formation: considerations of time and space; and demarcations of the body. The thirteen essays in this volume reassess the categorization of rule texts, the reuse of scripture, the significance of angelic fellowship, the varieties of calendrical use, and celibacy within the Qumran movement. Contributors consider identity in the Dead Sea Scrolls from new interdisciplinary perspectives, including spatial theory, legal theory, historical linguistics, ethnicity theory, cognitive literary theory, monster theory, and masculinity theory. Features Essays that draw on new theoretical frameworks and recent advances in Qumran studies A tribute to the late Peter Flint, whose scholarship helped to shape Qumran studies

Anil Sigdel dives into some of the most interesting trends in international relations, such as the rising influence of China and the instruments it uses to advance its interests worldwide, chiefly among them the Belt and Road Initiative(BRI) and the interplay between China and India, and what means New Delhi employs to come after China in the wider world. To this end, Sigdel takes both a geographic view by analyzing China's and India's relations with key regions - South East to Central Asia, Indian Ocean Region and Africa - and a functional view scrutinizing issues of relevance to the main topic - from cultural ties to infrastructure investment and maritime security. In his incisive analysis, Sigdel provides rich details on how India's partnership is shaping with the major stakeholders in the Indo-Pacific region such US, Japan and France, and how India is balancing these partnerships vis--vis the one with Russia. The conclusions point to interesting prospects for the future - China challenge has, in a way, helped India further advance its own ambition of becoming a separate pole or leading power, therefore, India is likely to pursue that status by aligning issue-wise with all the powers.

DK Eyewitness Travel Guide: Bali and Lombok takes you by the hand, leading you straight to the best attractions the region has to offer. Each have goals and the holiday schedule. PERFECT GIFT FOR: \* Christmas \* Holidays \* Birthdays \* Back to School \* Business \* Busy People Needing to Track or Plan

Based on the popular BBC Radio Ulster series of the same name, A Narrow Sea traces the epic sweep of Ireland's relationship with Scotland, exploring the myriad connections, correlations, personalities and antagonisms that have, over the years, defined the relationship between these two spirited neighbours. Roving freely across the centuries, from the first migrations of the regions' intrepid Mesolithic pioneers, to the grand colonial projects of the Vikings, Normans and Stuarts, this is the dramatic story of how one culture came to found two very different nations and, in doing so, project its influence as far afield as North America and Australasia. In 120 brief and accessible episodes, A Narrow Sea offers a stirring and panoramic view of a connection that has shaped the course of history on both sides of the narrow sea.

The no-f\*cks-given guide to taming anxiety and taking back control of your life, from the bestselling author of The Life-Changing Magic of Not Giving a F\*ck and Get Your Sh\*t Together. Do you spend more time worrying about problems than solving them? Do you let unexpected difficulties ruin your day and do "what ifs" keep you up at night? Sounds like you need to Calm the F\*ck Down. Just because things are falling apart doesn't mean YOU can't pull it together. Whether you're stressed about sh\*t that hasn't happened yet or freaked out about sh\*t that already has, the NoWorries method from "anti-guru" Sarah Knight helps you curb the anxiety and overthinking that's making everything worse. Calm the F\*ck Down explains: The Four Faces of Freaking Out -- and their Flipsides How to accept what you can't control Productive Helpful Effective Worrying (PHEW) The Three Principles of Dealing With It And much more! Praise for Sarah Knight and the No F\*cks Given Guides: "Self-help to swear by." -- The Boston Globe "Genius." -- Vogue "Hilarious, irreverent, and no-nonsense." -- Bustle
