The Safeway bag was a signal: to activate his escape plan to be smuggled out of Soviet Russia. So began one of the boldest and most extraordinary episodes in the history of espionage. In The Spy and the Traitor Ben Macintyre reveals a tale of betrayal, duplicity and raw courage that changed the course of the Cold War forever.

The Spy and the Traitor by Ben Macintyre | Waterstones

In the early 1960s we have the Molody/Lonsdale affair, the Portland Spy Ring and most importantly, perhaps, the defection of Kim Philby. Philby was the highest in rank of all the spies that emerged in these years. His defection was a major blow to the morale of British and American intelligence and the trust between the two countries in this area.

Biography: Ben Macintyre is the multimillion-copy bestselling author of books including Agent Zigzag, Operation Mincemeat and A Spy Among Friends. He is a columnist and Associate Editor at The Times, and has worked as the newspaper's correspondent in New York, Paris and Washington. He regularly presents BBC series based on his acclaimed books.

The Spy and the Traitor: The Greatest Espionage Story of ...

Before Edward Snowden's infamous data breach, the largest theft of government secrets was committed by an ingenious traitor whose intricate espionage scheme and complex system of coded messages were made even more baffling by his dyslexia. His name is Brian Regan, but he came to be known as the Spy Who Couldn't Spell.

NEW YORK TIMES BESTSELLER • The celebrated author of Double Cross and Rogue Heroes returns with his greatest spy story yet, a thrilling Americans-era tale of Oleg Gordievsky, the Russian whose secret work helped hasten the end of the Cold War. “The best true spy story I have ever read.”—JOHN LE CARRÉ Named a Best Book of the Year by The Economist • Shortlisted for the Baillie Giffords Prize in Nonfiction If anyone could be considered a Russian counterpart to the infamous British double-agent Kim Philby, it was Oleg Gordievsky. The son of two KGB agents and the product of the best Soviet institutions, the savvy, sophisticated Gordievsky grew to see his nation's communism as both criminal and philistine. He took his first posting for Russian intelligence in 1968 and eventually became the Soviet Union's top man in London, but from 1973 on he was secretly working for MI6. For nearly a decade, as the Cold War reached its twilight, Gordievsky helped the West turn the tables on the KGB, exposing Russian spies and helping to foil countless intelligence plots, as the Soviet leadership grew increasingly paranoid at the United States's nuclear first-strike capabilities and brought the world closer to the brink of war. Desperate to keep the circle of trust close, MI6 never revealed Gordievsky's name to its counterparts in the CIA, which in turn grew obsessed with figuring out the identity of Britain's obviously top-level source. Their obsession ultimately doomed Gordievsky: the CIA officer assigned to identify him was none other than Aldrich Ames, the man who would become infamous for secretly spying for the Soviets. Unfolding the delicious three-way gamesmanship between America, Britain, and the Soviet Union, and culminating in the gripping cinematic beat-by-beat of Gordievsky's nail-biting escape from Moscow in 1985, Ben Macintyre's latest may be his best yet. Like the greatest novels of John le Carré, it brings readers deep into a world of treachery and betrayal, where the lines bleed between the personal and the professional, and one man's hatred of communism had the power to change the future of nations.

***The No.1 Sunday Times Bestseller* *Shortlisted for the 2018 Baillie Gifford Prize* *Bill Gates' Top 5 Books for 2020* 'THE BEST TRUE SPY STORY I HAVE EVER READ' JOHN LE CARRÉ A thrilling Cold War story about a KGB double agent, by one of Britain's greatest historians - now with a new afterword On a warm July evening in 1985, a middle-aged man stood on the pavement of a busy avenue in the heart of Moscow, holding a plastic carrier bag. In his grey suit and tie, he looked like any other Soviet citizen. The bag alone was mildly conspicuous, printed with the red logo of Safeway, the British supermarket. The man was a spy. A senior KGB officer, for more than a decade he had supplied his British spymasters with a stream of priceless secrets from deep within the Soviet intelligence machine. No spy had done more to damage the KGB. The Safeway bag was a signal: to activate his escape plan to be smuggled out of Soviet Russia. So began one of the boldest and most extraordinary episodes in the history of spying. Ben Macintyre reveals a tale of espionage, betrayal and raw courage that changed the course of the Cold War forever... BEN MACINTYRE'S NEXT BOOK AGENT SONYA IS AVAILABLE FOR PRE-ORDER NOW**

From bestselling author Ben Macintyre, the true untold story of history's most famous traitor

"Before Edward Snowden's infamous data breach, the largest theft of government secrets was committed by an ingenious traitor whose intricate espionage scheme and complex system of coded messages were made even more baffling by his dyslexia. His name is Brian Regan, but he came to be known as the 'Spy Who Couldn't Spell' ... In this ... true-life spy thriller, Yudhijit Bhattacharjee reveals how the FBI unraveled Regan's strange web of codes to build a case against a man who nearly collapsed America's military security"--

The incredible untold story of WWII's greatest secret fighting force, as told by our great modern master of wartime intrigue Britain's Special Air Service—or SAS—was the brainchild of David Stirling, a young, gadabout aristocrat whose aimlessness in early life belied a remarkable strategic mind. Where most of his colleagues looked at a battlefield map of World War II's African theater and saw a protracted struggle with Rommel's desert forces, Stirling saw an opportunity: given a small number of elite, well-trained men, he could parachute behind enemy lines and sabotage their airplanes and war material. Paired with his constitutional opposite, the disciplined martinet Jock Lewes, Stirling assembled a revolutionary fighting force that would upend not just the balance of the war, but the nature of combat itself. He faced no little resistance from those who found his tactics ungentlemanly or beyond the pale, but in the SAS's remarkable exploits facing the Nazis in the Africa and then on the Continent can be found the seeds of nearly all special forces units that would follow. Bringing his keen eye for psychological detail to a riveting wartime narrative, Ben Macintyre uses his unprecedented access to SAS archives to shine a light inside a legendary unit long shrouded in secrecy. The result is not just a tremendous war story, but a fascinating group portrait of men of whom history and country asked the most.

A brilliant exposé of how Kim Philby—the master-spy and notorious double agent—became the mentor, and later, mortal enemy, of James Angleton, who would eventually lead the CIA. Kim Philby's life and career has inspired an entire literary genre: the spy novel of betrayal. Philby was one of the leaders of the British counter-intelligence efforts, first against the Nazis, then against the Soviet Union. He was also the KGB's most valuable double-agent, so highly regarded that today his image is on the postage stamps of the Russian Federation even today. Before he was exposed, Philby was the mentor of James Jesus Angleton, one of the central figures in the early years of the CIA who became the long-serving chief of the counter-intelligence staff of the Agency. James Angleton and Kim Philby were friends for six years, or so Angleton thought. Then they were enemies for the rest of their lives. This is the story of their intertwined careers and a betrayal that would have dramatic and irrevocable effects on the Cold War and US-Soviet relations, and have a direct effect on the shape and culture of the CIA in the latter half of the twentieth century. Spanning the globe, from London and Washington DC, to Rome and Istanbul, Spies and Traitors gets to the heart of one of the most important and flawed personal relationships in modern history.

From the New York Times bestselling author of A Legacy of Spies. In this exquisitely told novel, John le Carré shows us once again his acute understanding of the world we live in and where power really lies. In the wake of the collapse of Lehman Brothers and with Britain on the brink of economic ruin, a young English couple takes a vacation in Antigua. There they meet Dima, a Russian who styles himself the world's Number One money-launderer and who wants, among other things, a game of tennis. Back in London, the couple is subjected to an interrogation by the British Secret service who also need their help. Their acquiescence will lead them on a precarious journey through Paris to a safe house in Switzerland, helpless pawns in a game of nations that reveals the unholy alliances between the Russian mafia, the City of London, the government and the competing factions of the British Secret Service.

NEW YORK TIMES BESTSELLER • The “master storyteller” (San Francisco Chronicle) behind the New York Times bestseller The Spy and the Traitor uncovers the true story behind the Cold War's most intrepid female spy. “[An] immensely exciting, fast-moving account.”—The Washington Post **NAMED ONE OF THE BEST BOOKS OF THE YEAR** BY Foreign Affairs • Kirkus Reviews • Library Journal In 1942, in a quiet village in the leafy English Cotswolds, a thin, elegant woman lived in a small cottage with her three children and her husband, who worked as a machinist nearby. Ursula Burton was friendly but reserved, and spoke English with a slight foreign accent. By all accounts, she seemed to be living a simple, unassuming life. Her neighbors in the village knew little about her. They didn't know that she was a high-ranking Soviet intelligence officer. They didn't know that her husband was also a spy, or that she was running powerful agents across Europe. Behind the facade of her picturesque life, Burton was a dedicated Communist, a Soviet colonel, and a veteran agent, gathering the scientific secrets that would enable the Soviet Union to build the bomb. This true-life spy story is a masterpiece about the woman code-named “Sonya.” Over the course of her career, she was hunted by the Chinese, the Japanese, the Nazis, MI5, MI6, and the FBI—and she evaded them all. Her story reflects the great ideological clash of the twentieth century—between Communism, Fascism, and Western democracy—and casts new light on the spy battles and shifting allegiances of our own times. With unparalleled access to Sonya's diaries and correspondence and never-before-seen information on her clandestine activities, Ben Macintyre has conjured a page-turning history of a legendary secret agent, a woman who influenced the course of the Cold War and helped plunge the world into a decades-long standoff between nuclear superpowers.

A gripping tale of loyalty, love, treachery, espionage, and the thin and shifting line between fidelity and betrayal.
