The World Thank Offering is one of United Methodist Women's five channels of undesignated Mission Giving. Traditionally this offering is collected during a special service or program during the fall season. This channel of Mission Giving is an opportunity for individuals to respond to God's abundance and grace with spontaneous gifts of gratitude.

This anthology of 175 prayers--based on the liturgical church year: Advent, Christmas, Epiphany, Lent, Holy Week, Easter, Pentecost, and Ordinary Time--is thematically centered on poverty and ministry to the poor. It offers resources and inspiration to the unpoor so that they can share the struggles and hopes of the poor. This means recognizing the place we stand in, and then, with love and commitment, working together for change. Index.

This book examines the eight-year development of the Reading

Orienteering Club after-school program, showing how to develop, test, change, and adapt an after-school program to fit the needs of the children who attend. It includes case studies and data reports for each year and presents the theory, application, and program evaluation steps that workers in the field or students learning about program design must follow. Chapters present first-person accounts as well as statistical evaluations of the effectiveness of the reading program with each group of children. In addition, chapters highlight the changes that were made in program design and why each change was implemented, giving practitioners the insights needed to adapt interventions and strategies to their own programs. The book concludes with recommendations from the

Offering authors on how to run a successful after-school reading program. Topics featured in this book include: The effect of intrinsic motivation to mental wellness in the classroom. The importance of oral reading in correcting reading failure. Group-center approaches to teaching reading in the classroom. How to select the best evaluation tool. The challenges of mixing inner city and rural students in a reading program. After-School Programming and Intrinsic Motivation is an essential reference for scientist-practitioners, clinicians, researchers, and graduate students in such disciplines as school psychology, childhood education, social work, psychotherapy and counseling, and learning and instruction.

This gem of a book is filled with
