This beautifully illustrated, compact volume traces the profile of 48 European cities in early Reformation times. It transports readers across Europe from Spain to Estonia, from Scotland to Romania, passing through many fascinating cities in the Reformation heartland of this continent. With finely drawn historical portraits and abundant pictorial material, the articles by different scholars also feature the most prominent Reformers who lived and worked in each city (including six dynamic women). Supplemented by an illustrated map of Europe, local websites and reading lists, Europa Reformata will serve as a guide for visitors and armchair travelers alike. By highlighting so many cities and pioneers of the Reformation, it makes a timely and unique contribution to the 500th anniversary of this groundbreaking movement. Der prächtige und doch handliche Band zeichnet die reformatorischen Profile von etwa vierzig europäischen Städten nach. Die Leser werden von Spanien über Zentraleuropa bis Estland und Finnland geführt, von Schottland und England bis nach Rumänien. Profilierte Texte und reiches Bildmaterial veranschaulichen das Wirken der berühmtesten Reformatoren – sowie der fünf Reformatorinnen – und stellen die Städte mit ihren Bauten und Zeugnissen aus der Reformationszeit vor Augen. Ergänzt durch eine bebilderte Europakarte und die Angabe von kirchlichen Adressen und Tourismusbüros, eignet sich der Band auch als Reiseführer auf den Spuren der Reformation in Europa. An diesem perfekten Geschenk zum 500. Reformationsjubiläum sollte niemand achtlos vorübergehen.
