"West End Girls" is a song by the English synth-pop duo Pet Shop Boys. Written by Neil Tennant and Chris Lowe, the song was released twice as a single. The song's lyrics are concerned with class and the pressures of inner-city life which were inspired partly by T. S. Eliot 's poem The Waste Land.

[West End Girls - Wikipedia](#)

"West End Girls" is a song by pop duo Pet Shop Boys. It was written by Neil Tennant and Chris Lowe and included in their debut album Please. The single became their first hit, reaching number one on the U.S. Billboard Hot 100 and the UK Official Charts in 1986. The lyrics were written in the early 1980s. The title and refrain refer to London's divide between the traditional and working class ...

Key & BPM for West End Girls by Pet Shop Boys | Tunebat

I'm not sure why "West End Girls" is the Pet Shop Boys' biggest hit, let alone their most critically acclaimed song. These guys gave us "It's a Sin," one of the best pop songs of the 1980s, so there's no good reason this song should stand out so highly in their discography by comparison. The lyrics do a fairly decent underground love story, and the suspended synthesizer chords create a ...

A vivid and compelling memoir recounting the real lives, loves and friendship of 1940s Soho and its working girls. Barbara Tate was 17 when she heard the whispered word that would change her life: Soho. It would take four years for Barbara to escape her loveless home but when she finally made it to the forbidden streets of Soho - just as London was recovering from the trauma of the second world war - things would never be the same again. There the naive Barbara meets the beautiful and capricious Mae. When she takes a job as Mae's maid, Barbara imagines she'll be housekeeping. But down a shabby backstreet, Barbara discovers the secret lives of Soho's working girls. An

astonishing world full of fierce friendships and bitter rivalries, dangerous men and desperate measures, Barbara soon learns that taking the money from a staggering supply of punters and making copious amounts of tea are only the bare essentials. She will need to be nursemaid, protector and confidante to impossible, adorable, self-destructive Mae.

The New York Times bestselling author of *500 Miles from You* tells the hilarious and heartwarming story of twin sisters who set out to London in hopes of leaving their mark on the world, in this “gorgeous, glorious, uplifting” novel (Marian Keyes). They may be twins, but Lizzie and Penny Berry are complete opposites. Penny is the life of the party—loud and outrageous, while quiet and thoughtful Lizzy is often left out of the crowd. The one trait they do share is a longing to do something spectacular with their lives, and as far as these two are concerned, there’s no better place to make their dreams come true than London. Presented with a once-in-a-lifetime house-sit at their grandmother’s home in a very desirable London neighborhood, it finally seems like Lizzie and Penny are a step closer to the exciting cosmopolitan life they’ve always wanted. But the more time they spend in the big city, they quickly discover it’s nothing like they expected. They may have to dream new dreams...but are they up to the challenge?

With everything they've come to rely on suddenly gone, sisters Tanqueray, Unique, and Sinclair Nation should be facing the tragedy together. But instead, they begin to pull apart in their search for a way out of the ghetto. This divide nearly conquers them, as Tanqueray drifts further into the life she swore she would never be brought into. Unique, overwhelmed with concern for her sick child, follows the misunderstood guidance of an overzealous preacher, whose advice places her life in jeopardy. Sinclair, looking for love, finds trouble instead when she again turns to the streets. These sisters will have to fight hard to keep it together through all their hardships.

A French musical opens in London's West End. While audiences see the final polished production, the inner mechanics of the show are revealed as a turbulent mix of personalities and ambitions. Through the individual voices and stories of the French and UK producers and performers, we glimpse into the torrid and fascinating world of theatrical misbehaviour. At the end of which is a performance. If you have ever wanted to be part of a West End production without having to attend the audition, this book will give you that experience. I have always been told 'never disregard the little person, for they may be the recorder of ones history'. This is that record.

Everything I've ever done Everything I ever do Every place I've ever been Everywhere I'm going to Over a career that spans four decades and thirteen studio albums with Pet Shop Boys, Neil Tennant has consistently proved himself to be one of the most elegant and stylish of contemporary lyricists. Arranged alphabetically, *One Hundred Lyrics and a Poem* presents an overview of Neil Tennant's considerable achievement as a chronicler of modern life: the romance, the break-ups, the aspirations, the changing attitudes, the history, the politics, the pain. The landscape of Tennant's lyrics is recognisably British in character - restrained and preoccupied with the mundane, occasionally satirical, yet also yearning for escape and theatrical release. Often surprisingly revealing, this volume is contextualised by a personal commentary on each lyric and a fascinating introduction by the author which gives an insight into the process and genesis of writing. Flamboyant, understated, celebratory and elegiac, Neil Tennant's lyrics are a document of our times.

## Read Online West End Girls

When a young girl who has lived in Africa and been home-schooled moves to New York, she must enter a public high school. Survival of the fittest takes on a whole new meaning when she falls for the ex-boyfriend of the most popular girl in school.

'A fabulous, uplifting tale of friendship at the heart of wartime' Fiona Ford on *Christmas at the Foyles Bookshop*. 1914. Growing up on a farm in the country, Annie Cradwell has always dreamt of singing on stage. So when she hears her friend Joyce has a room to spare in London, she sets off with best friend Rose for an adventure beyond anything they could have imagined. In London, Annie and Rose stumble into jobs at the Lyceum Theatre. Being a dresser to capricious star Kitty Smythe wasn't exactly what Annie had in mind. But then the musical director, Matthew Harris, offers her singing lessons. And Annie starts to wonder – could this be her chance? Or is it all too good to be true? With the threat of war in the air, everything is uncertain. Is there a place for hopes and dreams when so much is at stake? Annie, Rose and Joyce are three girls with very different dreams – but the same great friendship. From the author of the beloved *Foyles Bookshop Girls* series, *The West End Girls* is the first in a brand new series full of Elaine Roberts' trademark warmth. Perfect for fans of *Daisy Styles* and *Rosie Hendry*.

The acclaimed and captivating true story of two restless society girls who left their affluent lives to “rough it” as teachers in the wilds of Colorado in 1916. In the summer of 1916, Dorothy Woodruff and Rosamond Underwood, bored by society luncheons, charity work, and the effete men who courted them, left their families in Auburn, New York, to teach school in the wilds of northwestern Colorado. They lived with a family of homesteaders in the Elkhead Mountains and rode to school on horseback, often in blinding blizzards. Their students walked or skied, in tattered clothes and shoes tied together with string. The young cattle rancher who had lured them west, Ferry Carpenter, had promised them the adventure of a lifetime. He hadn't let on that they would be considered dazzling prospective brides for the locals. Nearly a hundred years later, Dorothy Wickenden, the granddaughter of Dorothy Woodruff, found the teachers' buoyant letters home, which captured the voices of the pioneer women, the children, and other unforgettable people the women got to know. In reconstructing their journey, Wickenden has created an exhilarating saga about two intrepid women and the “settling up” of the West.

If Paris is the city of love, then London is the city of lust. From the bath houses of Roman Londinium to the sexual underground of the twentieth century and beyond, *The Sexual History of London* is an entertaining, vibrant chronicle of London and sex through the ages. For more than a thousand years, England's capital has been associated with desire, avarice, and the sins of the flesh. Richard of Devises, a monk writing in 1180, warned that “every quarter abounds in great obscenities.” As early as the second century AD, London was notorious for its raucous festivities and disorderly houses, and throughout the centuries the bawdy side of life has taken easy root and flourished. In *The Sexual History of London*, award-winning popular historian Catharine Arnold turns her gaze to London's relationship with vice through the ages. London has always traded in the currency of sex. Whether pornographic publishers on Fleet Street, or courtesans parading in Haymarket, its streets have long been witness to colorful sexual behavior. In an accessible, entertaining style, Arnold takes us on a journey through the fleshpots of London from earliest times to present day. Here are buxom strumpets, louche aristocrats, popinjay politicians, and Victorian flagellants—all vying for their place in London's league of licentiousness. From sexual exuberance to moral panic, the city has seen the pendulum swing from Puritanism to hedonism and back again. With latter chapters looking at Victorian London and the sexual

underground of the twentieth century and beyond, this is a fascinating and vibrant chronicle of London at its most raw and ribald.

The Pet Shop Boys are one of the most successful and unusual bands of the last five decades. They are the pop duo that proves pop music can be modern, ecstatic and playful as well as serious and intelligent, winning them legions of devoted fans throughout the world. In 1989, Neil Tennant and Chris Lowe invited journalist Chris Heath and photographer Lawrence Watson to shadow them around Hong Kong, Japan and the UK as they embarked on their first-ever tour. This book is the result: an immersive portrait giving access into the duo's inner sanctum, showing them in brilliantly observed detail as they work, relax, gossip, argue and occasionally try to make sense of what they do.

' As clear a picture as could be wished for of the seething mass of elegant contradictions that is the Pet Shop Boys ' on-the-road experience. ' Independent on Sunday ' This superbly reported book transcends tired rock journalism cliché. It ' s about what it means to be a pop star, what it means to be a Pet Shop Boy... how to love pop, hold it to a higher standard and subvert its expectations. ' Laura Snapes
