YouTube has changed our world—from how we view video to how we connect and market—opening a new entrepreneurial landscape to ambitious individuals. Thousands of people generate six to seven figures annually from online video content. And, with the right roadmap, you too could be en route to real influence and income. In *YouTube Secrets*, online video experts Sean Cannell and Benji Travis draw on a decade of experience as well as interviews with more than one hundred top creators to give you a step-by-step YouTube success playbook. You'll learn - The seven essential ingredients for a profitable channel - New strategies for getting views and subscribers - Ten ways to make money on YouTube - And much more Whether you're a beginner or a veteran, this book will show you how to use YouTube to build a following, create a lucrative business, and make a massive impact in people's lives.

The YouTuber Journey is about heeding the creative calling that most people ignore. Many of us are told to follow a cookie-cutter life plan, but ultimately when we arrive at our destination, we feel empty. But, what if we could create our own life path? In this book, you'll learn how with YouTube as your launching point.

YouTube, the leading website in online video streaming and sharing, is one of the best avenues to promote something on the internet. Owned by Google, YouTube has become more of a social network than just a place where people visit to watch videos. People use YouTube to promote whatever they want - a new service or product, news through websites, video games, music, tutorials, and so on. The list is endless. While there are many ways to assess the success of a YouTube channel, the most common measurement is by its number of viewers and subscribers. What makes a video "viral," for example, is the number of times the video has been viewed or shared through various means. How popular a channel is can be gauged by the number of people who willingly subscribe to it for updates. Of course, there's more to it than just posting videos on YouTube, since we know that plenty of material doesn't go viral. Clearly, some videos have earned more success than others, while many more - a lot more - have simply come and gone. This easy-to-follow guide will help you learn how the YouTube community works, how to get more people to watch your videos, and how to get these viewers to subscribe to your channel through effective and legitimate means.

The keys to growing a YouTube channel that took me from zero to 75,000 subscribers in 18 months. If you're serious about starting a YouTube business and want to make money on YouTube, I can show you the way. I've doubled my monthly income by creating a YouTube channel. Thousands of people watch each video and I've built a community that supports and motivates me every day...and that's all in less than two years! Is it Too Late to Start a YouTube Business? I've been developing online businesses since 2012 but was late to the game on YouTube. By the time I started my YouTube channel, people were already saying, "YouTube is dead!" People were saying you couldn't grow on YouTube anymore and that small channels couldn't win in the YouTube algorithm. I'm living proof you CAN start a YouTube business and be successful. I average \$3,500 a month on ads alone (June 2019) and another three- to four-thousand on sponsorships, affiliates and my own products. In fact, I believe we're just coming into the Age of YouTube with the rollout of 5G and every business owner needs a video presence. A YouTube How-To from Someone that's Been There! I've seen the frustration for small YouTubers, trying to compete and get views against the million-subscriber monsters. I know what it's like to start a channel from nothing. I'll not only show you how to set up your channel to look professional, I'll reveal the secrets even some of the biggest YouTube creators don't know. In this book, you'll learn: -How to get YouTube video ideas and hack the most popular videos for viral success (Pg 49)-Five steps to building a YouTube channel brand that creates an army of supporters (Pg 69)-The easy way to record videos, even if you don't like to be on camera (Pg 85)-Five income streams that guarantee you WILL make money on YouTube (Pg 135) Since starting my YouTube channel, I've consulted and helped other video influencers grow their channels for millions of views. I've helped them find sponsorships and make enough money to quit their day job to make YouTube a full-time business. I can do the same for you with this book. I can show you the way but YOU have to get started. Scroll back up and click Buy Now to create your YouTube business and start making money on YouTube.

"The emotional effect of woodworking is that it gives kids that sense of accomplishment. Parents see a happy kid beaming with excitement of possibilities." -A woodworking teacher Three years back, I asked one child psychologist: What is the best way to make a connection with my 8 and 13-year-olds as they are growing up? I was worried about excessive exposure to T.V, Mobile Phones and wanted to do some activity together to be much of an enabler and guide. He said, "Why don't you try Woodworking in your backyard? That would serve all your purposes. " That was one of the best pieces of advice I got off late. We hit it off and started with whittling, woodworking with just a wooden stick and a pocket knife. After that, we moved on to woodworking with multiple tools. The kids only used more straightforward tools, and I handled the complicated part. Safety was of utmost priority, and I always led with example. This book entails our journey with 31 Whittling and 20 Woodworking projects. It covers: - Woodworking and Whittling definitions, background, history - Why kids and teenagers should practice it or how they would inculcate various skills while practicing this art which would help them in an extremely dynamic world they would face - Best practices and safety instructions - Tools with details of ways to use them - Processes and Techniques - 51 Starter Projects - Tips, Guidelines, and Online Resources A perfect company for a weekend or holiday! Get this comprehensive 2 in 1 book with Woodworking and Whittling covered for a kid and parent both.
